

March 20, 1962

Mutual Benefit Health & Accident Association
1730 L Street, N.W.
Washington 6, D. C.

Attention: Mr. Thomas W. Premo

Gentlemen:

In accordance with your memo of March 14, 1962, we will abide by the following procedure in allowing reimbursement in the particular type of case illustrated below:

Cauterization or Fulguration of Local Lesion

"The allowance for Cauterization of Fulguration (electro-desiccation,) of a single lesion is \$5.00 and each subsequent lesion \$5.00 regardless of location."

In the event we do not receive a reply from you, we will assume this is in accordance with your interpretation.

Very truly yours,

/s/
